added versatility, added **safety**

The ford**focus** has been specifically designed as a family car and naturally your first concern is safety. Ergonomically designed Ford child safety systems give your family the added **protection** they need as they travel, giving you complete peace of mind.

For extra carrying space add a roof transportation system and for difficult loads there is a range of stowage and load-protection products, all built and tested to the highest **quality** standards.

For all your **after-sales** needs, visit your ford **dealer**

When you buy a new Ford, you also get the support of one of the world's biggest motor manufacturers with an extensive national dealer network to offer you the utmost convenience. For Ford expertise, Ford-trained technicians, Ford Quality Parts, the finest customer service and real value for money, there is only one place to go: your Ford dealership.

Together, your Ford Dealer and Ford are committed to giving you the highest standards of service and care to make every mile of your motoring as trouble-free and enjoyable as it can be. Now that many parts last longer and need less frequent checking, your Ford will only need servicing once a year (unless it exceeds the recommended service mileage intervals).

Other valuable after-sales services from Ford and your Ford Dealer include:

ford insure

Ford Insure sets new standards in motor insurance for your Ford car. It's simple, far-reaching and available to every Ford car owner, with everything you demand from an insurance policy—and more. And now customers can experience Ford Insure whenever they buy a new Ford car. Ford Insure Driveaway Cover gives them 21 days' full Ford Insure coverage free from the moment of purchase.

ford service connect

Ford Service Connect Plans are the best way to look after you and your Ford from the day you take delivery. There is a choice of plans to suit your particular needs. All servicing requirements plus extensions to your twelve-month warranty and RAC membership can be covered, enabling you to enjoy up to three years of worry-free motoring.

rapid fit

The national fast-fit network backed by Ford, offering you the convenience of a 'no-appointment-necessary, while-you-wait' service covering tyres, exhausts, brakes, batteries and much more. There are over 300 sites nationwide.

ford accident repair centres

If your Ford is involved in an accident, your Ford Dealer is best placed to return it to its pre-accident condition. Dealerships displaying the Ford Accident Repair Centre sign all meet the rigorous customer service and repair quality standards laid down by Ford, and offer a three-year workmanship guarantee.

ford customer assistance centre

In the unlikely event that your Ford Dealer can't help you or you need to speak to Ford directly, the Ford Customer Assistance Centre is just a phone call away. Call local rate **0845 841 1111**.

Illustrations, descriptions and specifications.

This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details consult your Ford dealer.

Optional Equipment. Throughout this publication, wherever a feature is described as being an 'option' or 'optional Fitment/Pack', etc. you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary.

Where a fitted price is shown, this is the RRP for the parts required plus an estimated fitting cost. Please consult your dealer prior to purchase to confirm the fitted price.
