Ford**Focus** TDCi Sport

Stylish sports seats with black waffle and partial leather trim.

Exciting performance and impressive economy... without compromise

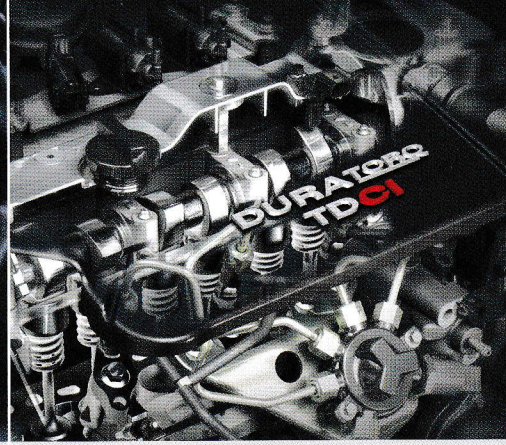

Stylish good looks and precision handling are reasons enough to put yourself behind the wheel of the new Ford **Focus** TDCi Sport; add to that the outstanding power and economy* of its 115 PS 1.8-litre diesel Duratorq TDCi engine and you're in for a truly thrilling experience

Alloy wheels Focus TDCi Sport features stylish 17" 7-spoke alloy wheels.

Interior The titanium-effect grey facia and graphite-effect instrument cluster.

TDCi Powerful and refined, the new 115 PS 1.8-litre Duratorq TDCi diesel engine.

A real contradiction

A real contradiction, the Ford Focus TDCi Sport delivers the spirited, powerful and dynamic performance you expect from a petrol engine, whilst giving you the financial benefits of a diesel. Employing second-generation common-rail technology, the 115 PS 1.8-litre Duratorq TDCi engine provides new levels of refinement, 250 Nm torque and outstanding economy, without compromising on power and performance. There's also a unique transient 'overboost' feature, which automatically provides an extra burst of power when accelerating.

With the Ford Focus TDCi Sport you really get the best of both worlds: affordable motoring and outstanding performance.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers.
