### **Loadspace carrier roller net**

To keep your precious cargo safely away from your equally precious passengers, use this protective net barrier. It can also act as a dog guard.

Fold flat the front seat and it forms a table-top area within easy reach of the driver. A large kangaroo pocket holds maps, and you can also fit a laptop securely on the even surface.

Space when you need it and support when you don't: the fold-down armrest has plenty of uses for rear seat passengers. When folded down, its storage tray makes meals and games on the move much more organised.

Carrying leisure gear like skis and bicycles is no problem, thanks to this versatile folding rear seat back. Its 40/20/40 split allows you to seat a rear passenger or two, as well.
