Protection. Even when it's the last thing on your mind, it's the first thing we think of

Confidence. To savour where you've been and look forward to where you're going

Ford Focus. A car you can be confident in

The award-winning, ground-breaking, people-centred Ford Focus is a car that does what you want, when you want it. To get it completely 'right', we examined every aspect of the relationship between you, your car and the road with a fresh eye and open mind. That's why it feels made for you, whatever your shape. And because we've made it so stable and dependable, you'll feel comfortable, confident and protected wherever you go.

Bodystyles and series

Ford**Focus** is available in a wide choice of models. Each is the same in terms of quality and value, but distinctive in what it will do for your driving life. There are three-door, four-door, five-door or estate bodystyles to choose from. Five responsive petrol engines, three smooth and refined diesels, and an environmentally friendly LPG (Liquefied Petroleum Gas) engine power the range. Themed options enable you to add your own definition of extra comfort, style and luxury. The variety is there. The choice is yours

Exterior dimensions

	3 & 5-door	4-door	Estate
Exterior (mm)			
Overall length	4174	4382	4454
Overall width without mirrors	1702	1702	1702
Overall width with mirrors	1998	1998	1998
Unladen height	1430	1429	1447
Wheelbase	2615	2615	2615
Front track	1494	1494	1494
Rear track	1487	1487	1487

Interior dimensions

	3 & 5-door	4-door	Estate
Front (mm)			
Headroom	995	997	997
Maximum leg room	1095	1095	1095
Maximum shoulder room	1358	1358	1358
Rear (mm)			
Headroom	982	978	1014
Minimum leg room	882	882	882
Maximum shoulder room	1362	1362	1362
Luggage area (mm)			
Maximum cargo height (petrol/diesel)	850	538	913
Maximum cargo height (LPG engines)	730	n/a	789
Maximum width between wheel arches	1050	1050	1156
Loadspace length to back of rear seats*	880	1004	1048
Loadspace length to back of front seats*	1450	1574	1658
Stowable luggage (cu m)*			
5-seat mode (petrol/diesel)	0.350	0.490	0.520
5-seat mode (LPG engines)	0.230	n/a	0.385
2-seat mode (laden to roof) (petrol/diesel)	1.205	n/a	1.580
2-seat mode (laden to roof) (LPG engines)	1.085	n/a	1.445

*Measured using the VDA method. Dimensions may vary dependent on the model and equipment fitted. *At floor level.

p12 CL p14 LX p16 Ghia and Ghia 2.0i/115 PS TDCi p18 Zetec and Zetec 2.0i p20 ST170

CL

- Body-coloured door mirror housings
- Electrically-operated front windows
- Central locking
- ICE 4000N RDS stereo radio/cassette
- Driver's seat manual height adjustment
- Rake and reach-adjustable steering column
- 60:40 split rear seat back and cushion
- Height-adjustable head restraints, front and rear
- Interior power tailgate release
- Two cup holders in centre console
- Anti-lock brakes
- Control Blade independent rear suspension
- Power-assisted steering
- Advanced Restraint System (ARS)
- Driver's and front passenger's airbags*
- Front side-impact airbags
- Side-impact door beams, front and rear
- High-mounted rear brake light
- Safeguard Passive Anti-Theft System (PATs)

***Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.**

LX

Additional to CL

- 15" 8x2-spoke alloy wheels (1.6i and above)
- 'Quickclear' heated front windscreen with heated washer jets
- Remote control, central double locking
- ICE 6000N RDS stereo radio/CD with column-mounted controls (1.6i and above)
- CFC-free air conditioning (1.6i and above)
- Titanium-effect grey facia
- Centre third rear head restraint

Leather trim optional, at extra cost.

Ghia and Ghia 2.0i/115 PS TDCi

Ghia (additional to LX)

- 15" 6x2-spoke alloy wheels
- Body colour bodyside mouldings, door handles and radiator grille
- Front fog lights
- Electrically-operated front and rear windows with global opening and closing
- Electrically-operated and heated door mirrors
- Driver's seat power height adjustment
- Driver's seat manual lumbar adjustment
- Driver's armrest
- Leather-trimmed steering wheel
- Leather-trimmed gear knob
- Black Cordia dark wood-effect door trim and fascia
- Rear seat folding centre armrest
- Carpet floor mats
- Bright scuff plates with Ghia script
- Two map lights, front footwell light and rear courtesy light

Ghia 2.0i/115 PS TDCi (additional to Ghia)

- ICE 6006N RDS stereo radio/CD with 6-disc in-dash autochanger with column-mounted controls
- CFC-free air conditioning with electronic automatic temperature control (EATC)
- Trip computer
- Rear disc brakes
- Traction control system (TCS)

Interior shown is a Zetec. Exterior shown is a Zetec 2.0i.

Zetec and Zetec 2.0i

Zetec (additional to CL)

- 15" 5x2-spoke alloy wheels
- Front fog lights
- Remote control, central double locking
- ICE 6000N RDS stereo radio/CD with column-mounted controls
- Sports-style front seats
- Leather-trimmed steering wheel
- Metallic grey gear knob
- Graphite-effect instrument cluster controls with red pointers
- Titanium-effect grey facia
- Centre third rear head restraint
- Sports suspension

Zetec 2.0i (additional to Zetec)

- 16" 5x2-spoke alloy wheels
- Electrically-operated and heated door mirrors
- 'Quickclear' heated front windscreen with heated washer jets
- ICE 6006N RDS stereo radio/CD with 6-disc in-dash autochanger with column-mounted controls
- CFC-free air conditioning
- Rear disc brakes
- Traction control system (TCS)

ST170

Additional to Zetec

- 17" 15-spoke alloy wheels
- Exterior sports bodystyling (bumpers, skirts)
- Body colour bodyside mouldings, door handles and radiator grille
- Chrome-finished exhaust tailpipe
- Electrically-operated and heated door mirrors
- ICE 6006N RDS stereo radio/CD with 6-disc in-dash autochanger with column-mounted controls
- CFC-free air conditioning
- Contoured sports seats
- Driver's seat power height adjustment
- Aluminium gear knob and race-style aluminium pedals
- Graphite-effect facia with unique electro-luminescent dials
- Bright scuff plates with unique 'ST' logo
- Six-speed transmission for uprated performance
- Rear disc brakes
- Anti-lock brakes (ABS) with traction control system (TCS)
- Interior scan and perimeter alarm (Category 1 Thatcham approved)

Driving and technology

Ford**Focus** achieves excellent fuel economy without compromising on responsiveness and driveability. Combined with Ford's commitment to environmentally-responsible motoring, a Ford**Focus** won't cost you the earth... in more ways than one

All five 16-valve petrol engines feature advanced combustion and catalytic converter technology. Engine vibrations are reduced, for a smoother, quieter ride, and servicing is only required at 12,500 mile intervals. The economical new 100 PS and high-performance 115 PS common-rail TDCi models take diesel engine refinement to new heights with an exceptionally refined yet powerful drive. The 1.8-litre Duratorq TDdi direct injection turbo diesel has state-of-the-art drive-by-wire electronic accelerator control and combines responsive performance with economy.

Ford Focus is now also available engineered to run on Liquefied Petroleum Gas (LPG). LPG isn't just great news for the environment. This cleaner burning fuel extends the operating life of key parts of your vehicle as well as boasting significantly lower emissions than either its petrol or diesel equivalent. In addition to being quieter to run, the current price of LPG is around half the cost of petrol.

Engine data

	Engine technical features	Maximum power ^o	Maximum torque ^o
1.4i 16V Zetec 1388 cc	Cylinders – 4 in-line / Electronic fuel injection with EEC V engine management system / Electronic breakerless ignition / Catalyst	55 kW (75 PS) at 5000 min ⁻¹ (rpm)	123 Nm at 3500 min ⁻¹ (rpm)
1.6i 16V Zetec 1596 cc	Cylinders – 4 in-line / Electronic fuel injection with EEC V engine management system / Electronic breakerless ignition / Catalyst	74 kW (100 PS) at 6000 min ⁻¹ (rpm)	145 Nm at 4000 min ⁻¹ (rpm)
1.8i 16V Zetec 1796 cc	Cylinders – 4 in-line / Electronic fuel injection with EEC V engine management system / Electronic breakerless ignition / Catalyst	85 kW (115 PS) at 5500 min ⁻¹ (rpm)	160 Nm at 4400 min ⁻¹ (rpm)
1.8i LPG 1796 cc	Cylinders – 4 in-line / Electronic fuel injection with EEC V engine management system / Electronic breakerless ignition / Catalyst / Sequential LPG gaseous injection system	86 kW (115 PS) at 5500 min ⁻¹ (rpm)	160 Nm at 4400 min ⁻¹ (rpm)
2.0i 16V Zetec 1988 cc	Cylinders – 4 in-line / Electronic fuel injection with EEC V engine management system / Electronic breakerless ignition / Catalyst	96 kW (130 PS) at 5500 min ⁻¹ (rpm)	178 Nm at 4500 min ⁻¹ (rpm)
2.0i 16V Duratec ST 1988 cc	Cylinders – 4 in-line / Electronic fuel injection with Black Oak engine management system / Electronic breakerless ignition / Catalyst / Variable valve timing (VVT) / Dual-mass flywheel / Variable tract manifold	127 kW (173 PS) at 7000 min ⁻¹ (rpm)	196 Nm at 5500 min ⁻¹ (rpm)
1.8 Duratorq TDdi 1753 cc	Cylinders – 4 in-line / Direct fuel injection with EEC V engine management system / Turbo intercooler / Oxidation catalyst / Exhaust gas recirculation	66 kW (90 PS) at 4000 min ⁻¹ (rpm)	200 Nm at 2000 min ⁻¹ (rpm)
1.8 Duratorq TDCi 1753 cc	Cylinders – 4 in-line / Direct fuel injection with EEC V engine management system / Turbo intercooler / Oxidation catalyst / Exhaust gas recirculation / High pressure common-rail fuel injection / Dual-mass flywheel / Variable nozzle turbocharger with intercooler	74 kW (100 PS) at 3850 min ⁻¹ (rpm)	240 Nm at 1750 min ⁻¹ (rpm)
1.8 Duratorq TDCi 1753 cc	Cylinders – 4 in-line / Direct fuel injection with EEC V engine management system / Turbo intercooler / Oxidation catalyst / Exhaust gas recirculation / High-pressure common-rail fuel injection / Dual-mass flywheel / Variable nozzle turbocharger with intercooler	85 kW (115 PS) at 3800 min ⁻¹ (rpm)	250 Nm at 1850 min ⁻¹ (rpm)

^oTested in accordance with ISO 1585.

*In 4th gear. ^aFord test figs. ^{oo}All CO₂ emissions figures in g/km and fuel consumption figures in L/100 km (mpg) are from officially approved tests in accordance with EEC Directive 93/116/EC. The CO₂ emissions and fuel consumption test figures shown in the chart do not express or imply any guarantee of the fuel consumption of a car of the class in question. All vehicles are 5-speed manual unless auto stated, **ST170 is 6-speed manual. All petrol engines are equipped with a catalytic converter. **Urban** An engine started from cold in laboratory conditions operated at varying speeds, maximum 31 mph, average 12 mph over a theoretical distance of 2.5 miles (4 km). **Extra Urban** Conducted immediately after the urban cycle, it consists of half steady speed driving and half varying speed driving, maximum 75 mph over a distance of 4.3 miles (7 km). **Combined** This is an average of the two parts of the test, weighted by the distances covered in each part.

[#]Represents the lightest kerbweight assuming the driver at 75 kg, full fluid levels and fuel levels, and subject to manufacturing tolerances and options, etc., fitted.

^{**}Optional transmission. **Note** All vehicles are 5-speed manual unless auto stated, *ST170 is 6-speed manual. All petrol engines are equipped with a catalytic converter.

Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Nose weight limit** is a maximum of 75 kg on all models. For further guidance, refer to the National Caravan Council's Towing Guide. **Roof rack load** is a maximum of 75 kg on all 3, 4 and 5-door models and 100 kg on estate models. When ordering heavy-duty and self-levelling suspension Gross Vehicle Mass (GVM), and therefore payload, increases by 50 kg.

The driver and front passenger airbags* act in harmony with the body structure to provide maximum protection within 50 milliseconds of an impact. Front side airbags cushion the head, thorax and chest against side impacts.

***Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.**

Safety and security

A combination of strategically positioned intelligent sensors supply vital information to the central processing unit at the heart of the Advanced Restraint System. In the event of an accident, it will assess the severity of an impact and activate the appropriate safety systems in a split second, providing optimum passenger protection. Key features of the system include dual-stage driver's and front passenger's airbags*, side-impact airbags, front seat belt pre-tensioners and load-limiting front seat belt retractors. Anti-submarining front seats are fitted, and other confidence-building features include a fuel shut-off switch on petrol engine models. The advanced Electronic Stability Programme (ESP) is optionally available to help maintain control under unexpected driving conditions

Crumple zones

Energy-absorbing crumple zones help to minimise the effect of a collision. Side pushers in the doors dissipate crash energy while side impact beams help to reduce intrusion. Ford Focus was awarded the four-star Euro NCAP rating for front and side impact safety.

Finance and services

Across the UK, a dedicated network of Ford Dealers is equipped and trained to meet the needs of today's drivers. Because of our coveted reputation for quality and reliability, from the moment your new vehicle leaves the showroom, you are assured of lasting, attentive service in many ways. Ford not only cares through Dealers, we also offer a variety of finance and leasing schemes to suit the needs of both the private and business customer. With our wide choice of plans and services no one is more committed to delivering complete motoring confidence and total peace of mind than Ford

FordCredit

As part of Ford Motor Company, Ford Credit offers convenient and competitive financial services to Ford customers. Choose, try, finance and insure your Ford – without having to leave the showroom.

Ford Options Ford Options is the flexible way to finance your Ford. If you are looking to renew your vehicle more often, this is the ideal plan. At the end of the agreement, choose which option suits you best – own the vehicle, return it or choose a new one.

Ford Acquire Ford Acquire is a simple method of vehicle finance for private customers. Convenient to arrange, and with flexible terms to suit your needs, owning your Ford has never been so easy.

Ford Business Partner As a specialist division of Ford Credit dedicated to partnering businesses, Ford Business Partner will work with you to achieve a complete transport solution.

Ford Insure Ford Insure offers a wide range of great value products for you and your Ford including Comprehensive Motor Insurance, Payment Protection Plan* and Guaranteed Asset Protection*. When you purchase a Ford from a Ford dealer, you will receive 7 days Driveaway cover** free when you call Ford Insure for a no-obligation annual quotation.

What's the next step? Your local Ford Dealer will be pleased to help if you have any further queries and advise you of current special promotions. Your Dealer can also supply a personalised quotation for the finance plan and vehicle of your choice.

To find your local Ford Dealer, please call 0845 7111 888.

You can also obtain a personalised quotation for the finance plan of your choice.

Services

Company Car Drivers Talkback – the company car drivers' club offers members extended test drives, tax and buying advice as well as special offers and invitations to special driver events. To join, log on to www.talkbackclub.com or call 0845 605 55 66 – it's free and you don't even have to drive a Ford.

Ford Mobility MAGIC (Mobility and General Information Centre) is a Ford-dedicated care centre created to provide free and comprehensive information on all motoring and mobility issues to anyone requiring such assistance. MAGIC has many special offers for HRDLA recipients, or Motability scheme users, call free on 0800 240 241.

Ford Protect Every new Ford car sold is protected by 12 months' unlimited mileage manufacturer's warranty, plus the option of extending this warranty with a no-cost 3-year/60,000 miles Ford Protect Plan. Upgrades are also available, giving you the option of worry-free motoring for up to 5 years.

Ford Rapid Fit The national fast-fit network backed by Ford, offering you the convenience of a 'no-appointment-necessary, while-you-wait' service covering tyres, exhausts, brakes, batteries and much more. There are over 300 sites nationwide.

Ford Accident Repair Centres If your Ford is involved in an accident, your Ford Dealer is best placed to return it to its pre-accident condition. Dealerships displaying the Ford Accident Repair Centre sign all meet the rigorous customer service and repair quality standards laid down by Ford, and offer a three-year repair guarantee.

Ford Customer Relationship Centre In the unlikely event that your Ford Dealer can't help you or you need to speak to Ford directly, the Ford Customer Relationship Centre is just a phone call away. Call local rate 0845 841 1111.

Ford Rental – local service nationwide Providing quality car and van rental from Ford's latest model range. For further information contact your local Ford Dealer.

Features and colours

Designed for the real world and engineered for comfort and practicality, Ford**Focus** is a remarkably easy car to live with. The quiet smoothness of the cabin environment, which matches that of many larger saloons, is partly a result of the stiffness of the bodyshell, as well as the innovative Control Blade rear suspension. These and other advanced design features enable enhanced ride comfort and handling, while power steering adds convenience without losing accuracy

Standard and optional wheels

*Only available with bodystyling kit.

Interior features

Ford Focus was, literally, designed from the inside out, with the objective of providing maximum comfort and space for five adults, along with room for four large suitcases to lie flat in the luggage compartment.

Tall, wide-opening doors and a higher seating position aid entry and exit, and to keep everyone relaxed and fresh, a dust and pollen micro-fibre filter is standard.

In-car communications

The Ford Focus range is available with a wide choice of audio systems, some of which incorporate a cassette or CD autochanger. All audio units incorporate the Radio Data System (RDS), which can automatically cut in with essential traffic news. They also have a security 'Keycode' and a detachable front bezel to deter theft. A radio navigation system is also available to help you find your way to even the most obscure destinations.

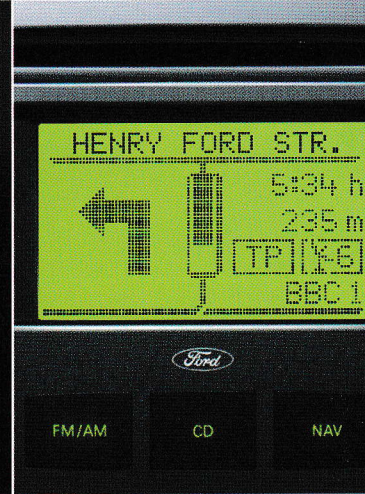

Model 6000N RDS EON with remote column-mounted controls, removable control panel, 'Keycode' anti-theft coding, 4 speakers.

Model 6006 RDS/EON radio/CD player – four-channel AM/FM radio with 24 presets, electronic search facilities and a 6-disc CD autochanger. Peak output is 4 x 48 watts.

Nokia compatible hands-free mobile phone kit option consists of a telephone console, cradle, base kit, antenna and microphone*.

Blaupunkt radio navigation system provides visual and spoken directions to your selected destination and features a monochrome display.

*From December 1st, 2003 it is an offence for drivers to use a hand-held mobile phone or similar device whilst driving.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation. **Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Designed for living. Engineered to last
